

To: Members of San Francisco Marina Harbor Association

March 23, 2007

We request you renew your membership – only \$20 per year or \$50 for three years! The E.I.R. has been approved and passed by the Board of Supervisors and we now move on to the design and engineering stage. Your Officers and Board of Directors have worked diligently to assure that this rebuilding project moves forward. SFMHA shows strength with numbers. We also need your input – remember, it is your harbor. The number below your address on the mailing label is the year through which you have paid. For those whose dues are due (any number below 07), we have inserted an information card and envelope. We do not want to drop you from our membership list and mailings.

Thank you in advance,

Al Cavey – Treasurer
